In reference to 3,221 applications registered on NIMI portal for Accreditation, Affiliation, Shifting of ITIs, etc. 697 applications could not complete their applications beyond Stage-1 and another 434 applications could not complete beyond Stage-2 of the process. Therefore, these were rejected. Also, 209 applications of existing ITIs which applied under the category " Existing Institutes seeking Affiliation for new trades/ units" were also rejected for not filling any "Additional trade units" on NIMI portal. 3. These applicants will be notified individually through email and SMS as well as through notifications to State Directorate and on NIMI and NCVT Portals, for completing further stages in the application process so that these could be considered for Desktop Assessment and further processes.
